

New Applicants

- Welcome to the monthly meeting of The Piedmont Handgunners Association. Please remember to sign in.
- Actually, PHA is something of a misnomer. Besides pistol bays, we also have 50/100 yard and 100/200 yard high power rifle ranges, a monthly benchrest, high power rifle and cowboy matches, a clay target machine for skeet/trap practice and a wobble trap for shotgun practice and competitions.
- Order supper! One of the reasons we come here is because the food is good.
- Feel free to review the printed information, observe the meeting, and watch how PHA business is conducted. If you have not done so, please complete your application.
- Do not write your check yet! If you have already done so, save it in a safe place; it will be a period of some days before all processes are complete.
- Read over the range rules portion of this package. They will also be reviewed again at the range. Begin thinking of questions.
- After the meeting, the Board of Directors will introduce themselves. This would be a good time for questions.
- Plan your range walk-through appointment with a board of directors member. You must confirm an appointment with that person tonight, or after you can check your calendar. Bring your application with you to the walk through.

This is acknowledges that I have received a new membership package containing the following items:

- A New Membership application
- An application check off sheet
- Copy of the PHA By-Laws
- Copy of the PHA Rules
- List of current PHA Officers
